#### The Birch sphere

The natural edge pattern of the 18mm thick Birch Sphere provides a clean, natural finish to the product that suits countless different styles of photography and the treated wood finish on the back of the block makes this a stunning product to hand over to your clients.

We mount a Fujicolor Crystal Archive C-Type Print to the face of the Birch Sphere and then seal it with a crystal laminate protecting against scratching, moisture and UV fading. The Birch Sphere is hung via stainless steel fixing plates with foam protectors to prevent damage to your wall.

- All of our Birch Products are made from FSC certified Birch ply from sustainable forests.

- Hand Made by framers here in UK
